

WHAT THE HECK?

Moments of clarity in an uncertain world

WHAT THE HECK? dances out the arenas of politics, religion, corporate culture, education and sports. Can it be done? Should it be done? Why the heck not? MOTUS O dance theatre brings all this and more - exploring, illuminating and challenging our perceptions on how our society literally moves.

With their signature wit, wonder and physicality this production lends momentous physical energy seeking out those moments of clarity in our uncertain world.
