

It's astonishing. It's audacious. It's indescribable. It's...

Carmina Burana!

(Are you ready?)

the show

Come and soar through the themes of love, lust and life with MOTUS O's interpretation of Carl Orff's CARMINA BURANA.

Fate or freedom? <> Divine rule or personal fulfillment?
A band of renegade monks denounce their training and journey through colourful landscapes to drink deeply of the offerings of this world. Along the way, they meet an array of characters, including an angel, a devil, a pair of lovers, a cowboy, a taskmaster – even Fate herself! Each encounter with these and other seemingly whimsical and non-sensical figures, further illuminates the shadow and light found in the human soul.

With Orff's powerful operatic score pumping through MOTUS O's seamless weaving of live video footage, stunning costumes and their signature innovative choreography, this show erupts on stage as an exhilarating theatrical barrage of the senses!
