The show was awesome, extremely well written, well performed and a ton of fun. It was very informative for my family and I had a ball. Thank you so much for putting it together. We were thrilled to see it.

It was an excellent show. So hope to see it again. So many people of different ages enjoyed it. It was nice to see people laugh, enjoy themselves and also learn about the history of fairs. Well done.

Thanks for a great show at the fair. I loved the steam punk feel of the piece. My kids were mesmerized by all the flow of the movement.
